• M.S. 88 Rock Club

- 88 Rock Club is a music program for students who play a musical instrument or sing. The goal is to gather like-minded students and have them create music together. Students will learn music history, how to collaborate with other musicians, create original music and showmanship. The students will be supervised and coached by teachers who have a background in music. We feel that nurturing students with musical talent is an integral part of their education and look forward to encouraging these students' growth as artists.
